Photoshop Premiere Illustrator Lightroom

DEVELOPMENT

HTML5 CSS3 JavaScript React JS

OTHER

Sass Git Node.js Wordpress

ABOUT ME

I am taking my first steps in the world of web development, with knowledge in HTML, CSS, JavaScript, React and Git.

I consider myself a proactive and eager to learn person. Always trying to learn, improve and look for new challenges. Passionate about design and user experience.

I look forward to combining the knowledge I have acquired in the marketing field with my programming skills, integrating the best design practices and client focused perspective with clean and efficient code.
